CONSTRUCTION**

SUNDANCE CONSTRUCTION

A GENERATIONAL COMPANY

Strong Foundations

Sundance has a legacy position as a leader in Texas construction.

A Legacy of Ingenuity

World-class construction aims to build infrastructure that supports generations to come.

Construction for Today and Tomorrow

Partnering with world-class subcontractors is how we're able to keep achieving remarkable things.

Deliver Results

Projects need to be done safely and responsibly.

Founded in 1982, Sundance Construction is a full-service general contracting company that has built a legacy of success and a reputation for quality. We look forward to expanding to other states in the future.

Signature Clubhouses. Built Right.

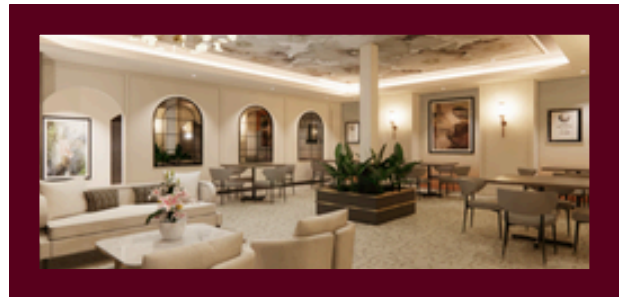

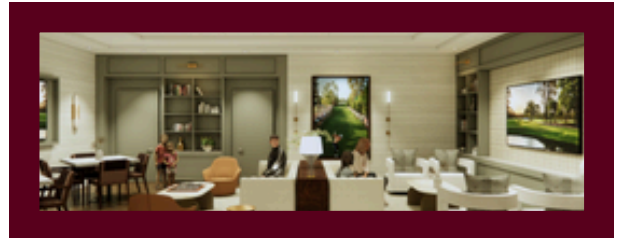

From arrival to amenities, we deliver disciplined execution and premium results.
